

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC)	
SERVICE COMMISSION OF THE APPLICA-)	
TION OF THE FUEL ADJUSTMENT CLAUSE)	
OF FLEMING-MASON RURAL ELECTRIC)	CASE NO. 90-372
COOPERATIVE CORPORATION FROM)	
NOVEMBER 1, 1988 TO OCTOBER 31, 1990)	

O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on November 30, 1990 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Fleming-Mason Rural Electric Cooperative Corporation ("Fleming-Mason") from November 1, 1988 to October 31, 1990.

As a part of this review, the Commission ordered Fleming-Mason to submit certain information including, inter alia, its monthly fuel charges for the period under review and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Fleming-Mason has complied with this Order. The Commission further ordered that a public hearing be held in this case, but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. Fleming-Mason has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. ("EKPC"), the wholesale supplier of Fleming-Mason, has been authorized to transfer (roll-in) a 0.54 mills per Kwh increase in its base fuel cost to its base rates.¹

3. Fleming-Mason should be authorized to transfer (roll-in) a 0.57 mills per Kwh increase in its base fuel costs to its base rates to reflect, as adjusted for line loss, the transfer of a 0.54 mills per Kwh decrease in EKPC's base rates and this can best be accomplished by an energy adder to each Kwh sold.

4. The rates and charges in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable, and reflect the transfer of fuel costs from the FAC to the base rate.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Fleming-Mason through the FAC for the period from November 1, 1988 to October 31, 1990 be and they hereby are approved.

2. Fleming-Mason be and it hereby is authorized to transfer to base rates those fuel costs (as adjusted for line-loss) rolled-in by EKPC from its FAC to its base rates.

3. The rates in Appendix A are approved for service rendered by Fleming-Mason on and after May 1, 1991.

¹ Case No. 90-361, An Examination by the Public Service Commission of the Application of the Fuel Adjustment Clause of East Kentucky Power Cooperative, Inc. From November 1, 1988 to October 31, 1990.

4. Within 30 days of the date of this Order, Fleming-Nason shall file with the Commission revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 3rd day of April, 1991.

PUBLIC SERVICE COMMISSION
